

GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED™

Dear Potential Volunteer:

If you have ever been involved with our United Way, you have probably heard of our Day of Caring. Day of Caring is a day spent working on a project that can be completed in one day. These projects are jobs that our United Way community partners need done but lack the time, staff or money to see them through. That's where your company comes in. We are looking for volunteers from our community to spend a day caring for our agencies on **Friday, April 20, 2012**. Projects will be located in Mobile, Washington and Clarke counties

United Way agencies were asked to review their wish lists, submit proposals for projects that could be completed in one day and tell us how you could help them. Projects could be anything from building wheelchair ramps to packing food boxes at our local food bank, reading to children or assisting the elderly with gardening.

Please complete the **VOLUNTEER TEAM INFORMATION** form on our website www.uwsa.org.

- This form will need to be completed and returned to Meredith Schafer at our office by **FRIDAY, MARCH 30, 2012**.

Once we receive your company's VOLUNTEER TEAM INFORMATION form, we will match your team to an agency project that best suits your area of interest.

Additional information will be sent to the Volunteer Coordinator of each team about the date below:

- **AN ORIENTATION MEETING - FRIDAY, APRIL 13TH.** This important meeting provides a valuable opportunity for the **TEAM VOLUNTEER COORDINATOR** and the **AGENCY PROJECT COORDINATOR** to discuss the details of your project.

Your continued support of United Way of Southwest Alabama is greatly appreciated. We value the commitment shown through your support of our campaign, as well as the volunteer hours spent by your employees throughout our community.

Should you have any questions, please feel free to call Meredith Schafer at 431-0113, or email her at mschafer@uwsa.org.

We look forward to spending a day with you, caring for our community!

Sincerely,

Alan H. Turner II, President & CEO
United Way of Southwest Alabama
